

SIFAT's 35th Anniversary **Commemorative Brick Fundraiser**

Since 1979, SIFAT has shared God's love in practical ways with the poor in our world. Without our donors and supporters, this could not have been possible! To celebrate these 35 years, we are building a commemorative patio and fire pit alongside the beautiful Mad Indian Creek on our international campus in Lineville, Ala.

What better way to create lasting memories than by honoring or memorializing your friends and loved ones with an engraved brick that will become a part of this new patio. For the perfect Mother's Day, Father's Day or graduation present, consider a gift that will make a difference ... a gift that will help SIFAT continue its ministry to improve the daily lives of the poor throughout the world.

Please order your commemorative brick today to help reach our goal of the 1800 bricks needed for SIFAT's new patio! Celebrate a special event in someone's life, honor a friend or family member and memorialize someone special.
