REFUGEE FAMILIES

**2 million +
refugees in
Nigeria.**

**3 REFUGEE FAMILIES FOR 3 YEARS ARE
FARMING THEIR WAY TOWARD
SUSTAINABLE DEVELOPMENT ON BACCOT
LAND WITH THE AIM OF FUTURE
INDEPENDENCE THROUGH THIS
EXPERIENCE**

PRAY WITH BACCOT

FARM PRAYERS

- Divine protection as we go to the farm
- Adequate rainfall
- Bumper harvest
- That these farmers will come to appreciate the fullest meaning of loving your neighbor as yourself despite all odds.
- That as stewards, they will be prudent in managing resources at their disposal.

PLEASE KEEP UP WITH FUTURE PRAYER REQUESTS FROM BACCOT ONLINE AT BANNAH.COM!

Participants receive training in liquid soap and petroleum jelly making. With this training, they will be in a better position to sell items like these and meet their family needs.

*Small-
business*

**TRAINING
FOR WOMEN**

Women learn to make soap, donuts, and more in **skill-acquisition** training

SEE NEXT PAGE FOR MORE

15 internally women and their entire families escaped from the deadly terrorist attacks on Christians in Northeast Nigeria. They all have stories to tell of God's divine protection over their lives. Some of them lost their family members and friends. They received small business training customized to suit their own areas of interest. In all, they were trained and given capital to jump-start their business. 5 will then go on to train others.

Skill Acquisition

**"...WE SEEK TO GLORIFY GOD
IN ALL OUR ENDEAVORS."**

BACCOT commenced operation in 2005 but was eventually registered with the Corporate Affairs Commissions of the Federal Government of Nigeria in July 2010. As a Christian ministry, we seek to glorify God in all our endeavors.

We express our worship to God through missions and evangelism, discipleship, skill acquisition, HIV/AIDS prevention, bio-sand water filtration, fuel-efficient cookstoves, nutrition, food preservation, biogas digester, farming and micro-enterprise training for income-generating activities. Thus, helping communities help themselves.
