

SIFAT Mission Trip:

Since its founding in 1979, SIFAT (Servants in Faith and Technology) has trained community leaders from 87 countries around the globe in practical skills to meet basic human needs.

There are countless ways to participate in the ministry of SIFAT here and around the world, and this trip is one of those ways. Work teams are needed on a regular basis to volunteer their time and skills for campus projects. You can help with construction projects, painting, decorating, organizing and more.

SIFAT's mission statement is to share God's love through service, education, and personal involvement with a needy world. During your time at SIFAT, you will be sharing God's love with us and people from all over the world through your service.

Through your personal involvement you will meet and talk with leaders at SIFAT and learn about what is going on around the world, as well as in the United States, through SIFAT's work. We want you to know that this work is only possible because of the work and prayer of volunteers like you!
