Fall Worship Night at SIFAT

By Kaitlyn Glenn
Campus Program Assistant

It is important to cultivate community at home and abroad to effectively share God's love to encourage and help one another. SIFAT's campus staff hosted a worship night to bring local youth groups together and to build community with churches in our area. Seventy-two youth and adults attended, and a wonderful time of fellowship was enjoyed together. Students enjoyed a meal, hayrides, games, a bonfire with s'mores and a worship service led by the staff. Josiah Corson gave a short sermon, while Shelby Dickey and Kaitlyn Glenn led the worship music. Intern Alex Angel has fit right in with our staff and was a great help assisting with the program, and local friends came to help out, as well. We also welcomed back some of our previous interns. Our Fall Worship Night was a success, and two youth leaders reported that their students cannot wait to come back. We look forward to hosting more worship nights and hope that events like this will continue to open doors to minister to local citizens, teaching others how to share God's love with the community around them. Thank you to all who worked to make this event possible!

We loved welcoming 72 people to SIFAT to worship together and enjoy a fall evening! Our campus staff—Josiah, Shelby and Kaitlyn—led worship.

Before worship, youth and their leaders joined our staff playing games. After worship, it was time for a bonfire and s'mores!

Left: Everyone enjoyed hayrides around our campus!
