Spending Spring Break in Ecuador

Our international mission team season has officially started in Ecuador! Auburn University's McWhorter School of Building Science team began construction on the third floor in Machachi, while the College of Nursing (with Child Life Specialist students from the College of Human Sciences) team held a medical clinic in Villaflora. With 38 total team members, this group of university students made an impact during their Spring Break vacation. Thank you for sharing God's love in practical ways with the people of Ecuador!

By the Numbers ...

311 adults
 155 children
 1,748 prescriptions
 91 dental patients
 53 referrals
