Hold the Rope!

Dear SIFAT family,

Great News! Generous donors have committed to match donations up to \$70,000 toward our goal of \$210,000 on GivingTuesday 2025! We are asking you to help SIFAT meet this goal on Dec. 2. This annual day of giving allows us to continue to serve those in need in many hard places. We have just finished a training in Bolivia and are currently training others in Costa Rica. We are helping with Hurricane Melissa emergency relief through our SIFAT graduates in Haiti, whose projects were severely impacted when their houses and gardens washed away. Yurima, a graduate from Venezuela, was visiting us recently to share with churches about her ministry, which has been funded by a grant from SIFAT. When asked why she is returning to such a dangerous place to serve, she said, "That's where God has called me. Because I can teach all that I learned at SIFAT about urban gardening, my people now have food to eat!"

So many people around the world are being blessed and empowered by the work of SIFAT. I have heard our training graduates say, "I don't mind going in the pit, but someone has to hold the support rope." Thank you for being part of God's ministry through us. Please consider a generous gift this Giving Tuesday to help meet the matching funds and to be part of the work God is doing through SIFAT. Help us hold the rope!

In Ecuador, where our SIFAT mission teams are building the eighth church and outreach facility to provide a safe place for children who might otherwise be on the street, our friends with whom we serve say "God will repay you"! Now is your chance to make a difference and have your dollars matched up to \$70,000! We are counting on your support on Dec. 2!

Yours in His work,
Tom Corson
Executive Director
