Be the Holiday Blessing!

Good news for the holidays! Once again, a faithful group of donors has committed to match donations up to $60,000 for Giving Tuesday! For the past 13 years, this day of giving has allowed us to continue *Sharing God's Love in Practical Ways* with some of the most vulnerable people in the world.

In Bolivia, we have fulfilled a 50-year-old dream of our leaders Benjo Parades and Ken Corson by establishing a Christian radio station that shares the Gospel, training and news to 50+ communities who have little contact with the outside world. Our mission teams continued installing microirrigation systems to provide access to clean water in remote villages. In Costa Rica, we have completed four trainings, empowering native leadership from Africa, Asia, South America and North America. These trainings were held in our new 3,300 square ft. outdoor facility. In Ecuador, we have hosted eight mission teams, who provided medical care, therapies and VBS classes and completed the first floor for the new church and after-school center in Cutuglagua. This facility will provide care for 150 children from the poorest area of the province and will teach them spiritual formation, offer tutoring, give hot meals and supply medical and dental support, while also reaching their families.

People around the world are being blessed and empowered by the work of SIFAT. We have seen the gratitude from our international brothers and sisters, as well as the emotional tears in the eyes of team members serving. We often hear "we came to help the poor, but soon realized we were the ones being blessed." It is exciting to see the next generation of young Ecuadorians leading the church's outreach. Because of your support, children from the after-school programs have finished school and become teachers, nurses, doctors and pastors. They are serving alongside our team members in missions in their communities!

Last year, about 645 million people went hungry. That is nearly one person in every thirteen on Earth. SIFAT answers with a hand up, not a handout by training church and community leaders to meet basic human needs and to love their neighbors as they work together. Our graduates return home to teach their people how to develop their communities.

Thank you for being part of SIFAT. Now is your chance to make a huge, ongoing difference in the world for Christ. We are counting on you giving generously on GivingTuesday. With our matching fund, you will double your donation and help us meet our goal. A hand up, not a handout, makes twice the impact this holiday season!

Our $60,000 matching fund doubles your donation! You can donate by check or online. **Designate checks *GivingTuesday* and mail by Dec. 1, 2026. Our goal is to raise $200,000!**

Give online. Use the QR code on the front to donate now. For more ways to give online or with IRA disbursements, visit www.sifat.org/givingtuesday2026.

Remember to check with your employer to see if your company offers a matching fund for donations made to nonprofits.
